

Fox Park Dog Park User Guide

The Fox Park Dog Park (FPDP) is sponsored by the Fox Park Neighborhood Association (FPNA) and follows the guidelines set in St. Louis City Revised Code 10.04.220 C available at:

Intended Use

The dog park is a dog's world...

This is your pup's time to burn off excess energy and get her daily exercise. It can be too physical for children to handle, leading to someone (most likely the kid) getting hurt. Simply put, a dog park prioritizes the canine experience, and should rightfully stay that way.

A dog park is a safe space for a dog, not children.

Qualifying for Membership

- Dogs must be at least 4 months old
- Dogs must have proof of current vet administered vaccine (Rabies & Bordetella) and current photo with each as part of application
- FPNA Dog Park application, including annual membership fee, must be approved by the FPNA Dog Park Chair
- Children must be at least 10 years old to enter the FPDP

Definitions

- **Owner:** Any adult member who is accompanying a dog member inside the dog park will be considered the "owner" for the sake of legal responsibility during that visit.
- **Household:** Each base membership is considered a "household unit". Humans and dogs being registered must live at this household to qualify as part of a household.
- **Pet Sitter:** An adult who is given the responsibility to care for a member's dog while the owner is unavailable. A signed waiver must be submitted before bringing in member dog(s). Non-member dogs may not be brought into the dog park.
- **Trespasser:** In compliance with City Ordinances 66595 and 57335, anyone entering FPDP facilities without a current membership is considered a trespasser and FPNA has the responsibility to report such trespassing to authorities for further action.

Rules

Membership status is subject to review by the FPNA Board in the event of a written complaint regarding either an owner's or dog's behavior or repeated disregard for the dog park rules. All members are encouraged to question visitors, or speak up regarding people who are not respecting the dog park.

Should you have concerns about membership, security, or incidents send an email to the FPNA Dog Park Chair at dogpark@foxparkstl.org or fill out a "Report an Incident" Google form at <https://www.foxparkstl.org/neighborhood-association/dog-park/>

Fox Park Dog Park is a self-directed playground with no day-to-day management supervision. In order to have a dog park facility that is relatively safe, clean, and fun – it is necessary for every FPDP member to adhere to the dog park rules and to help enforce the rules by monitoring the premises and reporting issues that cannot be handled easily as they arise. This is a collective effort and success depends on you, the members.

Members who fail to comply with FPNA/FPDP rules or fail to comply with directives from the FPNA Board regarding outcome from complaints or incident reports may have their membership either temporarily or permanently revoked.

In the event of any emergency, call 911.
